Fabtech Public School Celebrates Its 10th Foundation Day

Fabtech Public School celebrated its 10th Foundation Day with great enthusiasm and grandeur on 2 July 2026. The celebration marked a decade of the school's commitment to providing value-based, disciplined and quality education to its students.

The programme was graced by Bhausahab Rupnar, who highlighted the importance of values, discipline and quality education in shaping responsible and successful citizens. He appreciated the school's efforts towards the holistic development of students and encouraged them to

strive for excellence in academics as well as co-curricular activities. The Principal Mr. Sikandar Patil, along with the dedicated teaching and non-teaching staff, expressed pride in the school's remarkable journey and reaffirmed the commitment to providing students with quality education, strong values, and opportunities for holistic development.

The celebration brought together the school management, teachers, students and staff members in a spirit of pride and togetherness. The Foundation Day celebration was graced by the presence of the Principals and Heads of Departments from Fabtech's Polytechnic, Engineering, and Pharmacy institutions, along with other distinguished dignitaries. The gathering reflected the remarkable journey of Fabtech Public

“Ten Years of Excellence, Values and Learning!”

School over the past decade and its continued efforts to create a positive and enriching learning environment.

Two students delivered thoughtful speeches, sharing their reflections and wishes on the school's remarkable journey and achievements. The celebration was further enriched by a melodious musical performance and a graceful dance presentation by the students, adding joy and vibrancy to the occasion.

The event also acknowledged the dedicated efforts of the teaching and non-teaching staff who have contributed to the growth and development of the institution. The presence of dignitaries and members of the Fabtech family added to the significance of the occasion.

The school celebrated its momentous 10th Foundation Day with great enthusiasm and pride, graced by the esteemed presence of several distinguished guests. The milestone event was honored by Dr. Shendge Sir, Mr. Burungale Sir, Mrs. Kshirsagar Ma'am, Mr. Raju Patil Sir, and Mr. Mulani Sir, whose inspiring presence and encouraging words made the celebration truly unforgettable for the students, staff, and management.

As Fabtech Public School completes a decade of its journey, the Foundation Day celebration served as a reminder of its vision of nurturing knowledgeable, disciplined, confident and responsible individuals.

State-Level Tennikoit Team Selection Held at Fabtech Public School

Fabtech Public School & Junior College, Sangola, hosted the Solapur District State-Level Tennikoit Team Selection Trials with great enthusiasm. The selection trials were organized jointly by the Tennikoit Association of Maharashtra and the Tennikoit Association of Solapur District.

The programme commenced with the inauguration of the Tennikoit court, followed by a training camp and selection trials for aspiring players. The trials were conducted from 11 to 13 July 2026, providing young athletes an opportunity to demonstrate their skills and compete for selection to the state-level team.

The selection process was conducted under the guidance of Dr. Bharat Ingale, Secretary of the Solapur District Tennikoit Association, along with Bapurao Babar (Treasurer) and Ganesh Pawar (Sinhgad Public School, Kamlapur), with support from Panchakshari Swami and the coaching team of Fabtech Public School, Sangola.

Around 92 players from across Solapur district participated in the selection trials, making the event a vibrant platform for promoting sportsmanship, discipline, and sporting talent among young athletes.

Karate Belt Examination Success

In a proud moment for Fabtech Public School, an enthusiastic contingent of students delivered an exceptional performance at the recently concluded Karate Belt Examination. Organized by the prestigious Shotokan Sports Karate & Development Association and hosted at Vidyamandir English Medium School, Sangola, the event witnessed rigorous demonstrations of skill, agility, and mental fortitude. The young martial artists displayed remarkable focus, impressing the examiners with their precise techniques, discipline, and unwavering dedication throughout the demanding evaluation process.

Through their hard work and rigorous training regimens, the students successfully cleared various levels, proudly earning coveted Green, Yellow, and Blue belts. Among the standout achievers, Rajveer Sarpate earned special recognition by successfully securing the prestigious Blue Belt, showcasing exemplary form, balance, and tactical awareness. This milestone represents countless hours of practice, sweat, and perseverance on the mat.

This resounding success would not have been possible without the expert mentorship and dedicated guidance of their trainers Sunil Waghmare, Shravani Waghmare, and Nijendra Chaudhary who meticulously coached the students and instilled in them the core values of martial arts. Recognizing this stellar achievement, the school management, including Mrs. Sarika Rupnar, along with Principal Mr. Sikandar Patil, extended their heartfelt congratulations to the young champions.

Fabtech Public School Shines at the Indian Talent Olympiad

Fabtech Public School & Junior College, Sangola, achieved outstanding success at the national-level Indian Talent Olympiad 2025–26, once again demonstrating the academic excellence of its students.

In the second-level examination, Aaroahi Marske of Grade 4 secured 4th rank in Maharashtra in Hindi, while Rajvardhan Gadge of Grade 5 achieved 3rd rank in Maharashtra in Hindi and qualified for the scholarship. Several other students, including Tanush Khandekar, Shreyas Shinde, Ishwari Patil, Shreyas Khandangale, Sairaj Jankar, and Numa Sheikh, also earned certificates and medals for their commendable performance in English, Mathematics, Science, and Hindi.

In recognition of the school's consistent academic excellence and commitment to quality education, Fabtech Public School & Junior College, Sangola, was honoured with the prestigious “Golden School Award.” The award was received by Dr. Amit Rupnar, Secretary, Fabtech Education Society, Sangola.

The school's Principal, Mr. Sikandar Patil, was also honoured with the “Best School Principal Award,” while Farida Mulani, Olympiad Coordinator, received the “Best Olympiad Coordinator Award.” Dedicated teachers were also felicitated with “Ideal Teacher Awards” for their valuable contribution to students' academic success.

The management, principal, teachers, parents, and students expressed their pride in this remarkable achievement, reaffirming the school's commitment to providing quality education, effective guidance, and opportunities for students to excel at national and international levels.

Fabtech Public School students and teachers proudly showcase their outstanding achievements at the Indian Talent Olympiad, bringing laurels to the school through their commendable academic performance.

Maharashtra Krushi Din Celebrated with Enthusiasm

Fabtech Public School and Junior College, Sangola, celebrated Maharashtra Krushi Din (Agriculture Day) on 13 July 2026 with great enthusiasm. The programme focused on the importance of modern agriculture, agricultural education, and emerging opportunities in the agricultural sector. The programme was graced by Chief Guest Mr. Kondiba Doltode, along with Mrs. Sarika Rupnar and Principal Mr. Sikandar Patil. The guest was warmly welcomed and felicitated on the occasion.

In his address, Kondiba Doltode guided students about the changing nature of agriculture, the growing use of modern technologies, the need for sustainable farming, and the significant role of agriculture in the development of the nation. He also provided valuable information about crop management, agricultural research, agricultural entrepreneurship, and career opportunities in agriculture.

The session encouraged students to understand agriculture from a scientific and modern perspective while appreciating the contribution of farmers to society. Prof. Nayan Deshmukh also shared information about various branches and educational opportunities in agriculture. The programme was attended by students, teachers, and non-teaching staff of Fabtech Public School and Junior College and concluded on an informative and inspiring note.

Parent Orientation Programme for Pre-Primary Section

Fabtech Public School & Junior College, Sangola, organised an Orientation Programme for parents of the Pre-Primary Section on 15 July 2026 in an enthusiastic and interactive atmosphere. The programme aimed to strengthen communication and collaboration between parents and the school for the holistic development of children. The programme was graced by Mrs. Surekha Rupnar, Trustee of Fabtech Education Group, along with Mrs. Sarika Rupnar, Principal Mr. Sikandar Patil, academic coordinators, and other faculty members. The programme commenced with the worship of Goddess Saraswati, followed by a warm welcome to the parents.

More than 35 parents actively participated in various engaging and creative activities. Parents were encouraged to work in groups, prepare mobile models, and present their ideas through attractive demonstrations. These activities highlighted the importance of parental involvement, creativity, communication, and active participation in a child's early development.

Building strong foundations together parents, teachers, and students

During the session, Mrs. Sarika Rupnar emphasized the importance of giving children time, love, and communication. Principal Mr. Sikandar Patil highlighted the need to guide students through modern social and technological changes. Teachers outlined the curriculum and teaching methods, and parents shared their feedback. The event successfully strengthened the parent-teacher partnership to nurture well-rounded learners.

Birth Anniversary of Late Ajitdada Pawar Observed

Fabtech Public School & Junior College, Sangola, observed the birth anniversary of late Ajitdada Pawar, former Deputy Chief Minister of Maharashtra, on 22 July 2026 with due respect and remembrance. The programme commenced with a floral tribute to the portrait of Ajitdada Pawar, offered by Principal Mr. Sikandar Patil. Students, teachers, and non-teaching staff remembered his contributions to public service, leadership, and the development of Maharashtra.

Paying our heartfelt respects on the birth anniversary of Late Ajit Dada Pawar

On the occasion, the Principal highlighted his dedication, leadership, and contributions towards the development of the state, inspiring students to learn from his commitment and public service. A large number of students, teachers, and non-teaching staff were present during the programme. The event concluded with a respectful tribute and appreciation of his legacy.

Ashadhi Ekadashi Celebrated with a Devotional Vari

Fabtech Public School & Junior College, Sangola, celebrated Ashadhi Ekadashi with a vibrant and devotional Palkhi Dindi procession. The celebration aimed to introduce students to the rich Warkari tradition, Sant literature, Indian culture, and spiritual values.

The programme was graced by Mr. Bhausahab Rupnar, Vice President of the institution; Mrs. Surekha Rupnar; Mrs. Sarika Rupnar; Estate Director Dr. Sanjay Adhate; and Principal Mr. Sikandar Patil, along with other dignitaries.

Students presented Abhangs, group songs, group dances, devotional songs, and a traditional Pinga performance, creating a deeply spiritual atmosphere. Dressed in traditional Warkari attire, the students carried a beautifully decorated Dindi, accompanied by *taal*, *mridang*, saffron flags, and a Tulsi Vrindavan.

The Palkhi procession began from the school premises and proceeded to Shivaji Chowk, Sangola, where students presented devotional and cultural performances. The Dindi then proceeded to the Tehsildar's Office, where the celebration concluded with a devotional programme and Vitthal Namajagar.

Beyond academic excellence, the event provided students with a profound opportunity to experience and deeply appreciate the core values of Indian culture, timeless devotion, strong community spirit, and the rich heritage of the Warkari tradition. Through immersive participation and shared experiences, young minds were able to connect meaningfully with their cultural roots, fostering empathy, discipline, and a lasting sense of pride that extends far beyond the traditional classroom setting.

The grand success and seamless execution of this milestone celebration were made possible through the relentless and dedicated efforts of the school's visionary leadership, enthusiastic teachers, hardworking non-teaching staff, and energetic students. Every individual worked in close collaboration, demonstrating remarkable teamwork, meticulous planning, and an unwavering commitment to excellence that ultimately transformed the event into an inspiring and resounding success for the entire school community.

Guru Purnima Celebrated with Enthusiasm

Fabtech Public School celebrated Guru Purnima with great enthusiasm, highlighting the timeless importance of teachers, mentors, and the values they impart. The celebration was organised at Fabtech Public School & Junior College, with Principal Mr. Sikandar Patil presiding over the programme.

As part of the celebration, students delivered an insightful presentation on the significance of Guru Purnima, inspiring everyone with their thoughts and reflections. Students who achieved success in various competitions were also felicitated by the dignitaries in recognition of their accomplishments. The celebration concluded on an inspiring note, with the dedicated efforts of the teaching and non-teaching staff contributing to its success.

Dignitaries felicitating the successful Abacus and Vedic Math competition winners

During the event, students who achieved success in the Abacus competition Shrishaily More, Shreya Jagtap, Shreya Shinde, and Shreyash Shinde were felicitated at the hands of the dignitaries. Shreya Jagtap of Fabtech Public School achieved an impressive 2nd Rank at the

National Summer Competition in Vedic Mathematics – Level 2. Her remarkable performance reflects her strong numerical ability, concentration, accuracy, and dedication towards learning mathematics. Shreya was felicitated and presented with a trophy during the Guru Purnima celebration at the school, in recognition of her outstanding achievement. The school congratulated Shreya on her success and wished her continued excellence in future competitions.

The programme was anchored by Mrs. Swati Shinde, Shaurya Hajare, and Smahi Ghongde, while Adiraj Shinde proposed the vote of thanks.

A colorful showcase of imagination, skill, and joy brought to life by our young artists on Guru Purnima

First Periodic Test – Open House

Fabtech Public School organised the First Periodic Test Open House on 30 July 2026 to provide parents with an opportunity to interact with teachers and gain a clear understanding of their child's academic progress and overall development.

The interaction focused on the students' academic performance, strengths and areas requiring improvement, learning progress, classroom behaviour, and strategies for achieving better results. Teachers shared individual observations and provided constructive guidance to parents on how they could support their children's learning at home.

The Open House also encouraged meaningful communication and collaboration between parents and teachers. Parents actively participated in discussions, shared their feedback, and sought guidance regarding their children's learning needs and future academic goals.

The initiative reinforced the school's belief that strong parent-teacher collaboration plays a vital role in a child's academic success, confidence, and holistic development. The programme concluded on a positive note, with the school and parents reaffirming their shared commitment to helping every student learn, grow, and achieve their potential.

“Together for Your Child's Progress and Success.”

Fabtech Public School Students Shine in Music Examination

Fabtech Public School has once again added a proud achievement to its academic and co-curricular journey by demonstrating excellence in the field of music. Students of the school secured commendable results in the Harmonium Examination conducted by the Akhil Bharatiya Gandharva Mahavidyalaya Mandal, Mumbai. In the examination, Vedant Kawade successfully secured First Class, while Radheya Kshirsagar passed with Distinction, showcasing their dedication and developing proficiency in music.

Harmonium (Music) exam winners Vedant Kawade and Radhey Kshirsagar.

The achievement reflects the students' regular practice, discipline, perseverance, and commitment to musical learning. Their success was supported by the valuable guidance of their music teacher Mr. Satish Gajre, whose consistent efforts and encouragement played an important role in nurturing their musical abilities.

The achievement has created a joyful and motivating atmosphere among the students, parents, and teachers. Mrs. Sarika Rupnar, Principal Mr. Sikandar Patil, and the teaching and non-teaching staff congratulated the young musicians and wished them continued success in their musical journey.

Fabtech Public School continues to encourage students to explore their talents beyond academics and develop their skills in art, culture, music, and other co-curricular fields

Rising Voices: Students Shine at the Annual Speech Competition

The school auditorium buzzed with excitement this week as students from classes 1st through 9th gathered to compete in our Annual Speech Competition. It was a day dedicated to self-expression, confidence, and the power of the spoken word.

We were privileged to welcome Ms. Reshma Todkar and Dr. Sangita Swami as our guest judges. Their role was instrumental in evaluating the participants; they not only assessed the speeches but also provided encouraging, constructive feedback to help our students refine their public speaking abilities.

Captured moments of our talented young speakers

The range of topics and the maturity displayed by our young orators were truly impressive. We applaud all participants for stepping out of their comfort zones and speaking with such clarity and poise. A big thank you to our judges for their time and insights, and to the teachers who guided our students throughout their preparation.

Some More Glimpses of Activities...!

Parent's Corner: A Partnership in Growth and Excellence

"First of all, I would really like to thank all teachers for being such wonderful, approachable persons as they are always there for our help whenever needed. That puts us, as parents, much into ease.

The teachers are doing a great job and I couldn't ask for anything better for my son. I can see and watch my son respond so well and also interested in his class subjects. The way teachers have conducted the classes is amazing. With a proper timetable, covering the portions at a comfortable speed, we as parents are really at ease. It gives us an immense sense of achievement that our son is studying at an excellent school, FPS.

As parents, I would like to thank the teachers and Principal for their continuous care, support, collaboration, and most importantly encouragement which had been provided to my child over the years. You have been a source of confidence and inspiration for my child. Thank you so much FPS for giving me this opportunity."

Upcoming Events...

- 1) August 5:** 11th std student welcome function — welcoming new higher secondary students with an engaging orientation and introductory program.
- 2) August 7:** Teacher training programme — professional development workshop focused on modern teaching methodologies and classroom management.
- 3) August 8:** Fancy dress competition — creative costume event encouraging students to portray various characters and themes.
- 4) August 11:** Investiture ceremony — formal event recognizing key supporters and stakeholders contributing to school development.
- 5) August 15:** 80th Independence day — patriotic celebration featuring flag hoisting, cultural performances, and speeches honoring the nation's freedom.
- 6) August 15:** Rotary club and dance competition — collaborative community event showcasing students' rhythmic talents and partnership.
- 7) August 27:** Rakhi making competition — hands-on craft activity celebrating cultural bonds through creative handmade rakhis.

Looking ahead...

Looking ahead for august, the focus remains on regular academic progression through the continuous reinforcement of coursework and foundational learning across all subjects. Formative assessments and periodic classroom evaluations will support ongoing progress tracking and feedback to aid student development. Skill development will be emphasized through interactive learning methods, practical exercises, and holistic activities, alongside co-curricular engagement and preparation for extracurricular domains, creative arts, and physical fitness. Parent-school collaboration will be supported through continuous communication channels for guardians to discuss student academic progress and overall well-being.

Furthermore, emphasis will be placed on cultivating positive study habits, discipline, and regular attendance to build a strong foundation for the academic year. Students will be encouraged to make full use of institutional resources, including libraries and study materials, to foster independent learning and intellectual curiosity. Teachers will continue providing individualized guidance and mentorship to address diverse learning needs and ensure every student remains supported in their educational journey. Additionally, maintaining a balanced daily routine that integrates academic focus with personal well-being will remain a core priority throughout the month.

Warm Regards,

Editorial team

Fabtech Public School & Jr. College, Sangola.
