Dignitaries and staff offered prayers and gently rocked the cradle of infant Krishna, invoking divine blessings of peace and wisdom. The campus came alive with young learners from pre-primary and primary sections charmingly dressed as little Krishnas, Radhas, and Gopikas, creating a colourful and enchanting atmosphere.

Setting a deeply spiritual and festive tone, the students presented an enchanting cultural lineup comprising soulful devotional bhajans, classic stutis, and vibrant group dance choreographies. Each presentation showcased crisp rhythm, synchronized footwork, and remarkable stage poise, reflecting both diligent preparation and a deep connection to Indian cultural heritage that captivated teachers, peers, and dignitaries alike. The electric crescendo of the celebration

I would like to extend my heartfelt gratitude to respected Principal sir and all the teachers for their continuous guidance and support. The faculty is exceptionally well-trained, nurturing not only academic knowledge but also essential life habits, values, and discipline in students. The school offers a well-rounded balance of curricular and extracurricular activities, helping children excel both inside and outside the classroom. Regular sports events ensure our children stay physically active and fit. I especially appreciate the karate sessions conducted every Wednesday and Saturday learning self defense instills confidence and equips students with vital skills to keep themselves safe.

With modern infrastructure, including a well-stocked library, science labs, and computer labs, the campus provides an enriching environment for holistic growth. If you are looking for a school for your child, I wholeheartedly recommend this institution.

Thank you!

"माझी झी कन्या कुमारी सह्याद्री हिच्या जीवनातील शैक्षणिक पहिले पाऊल आपल्या फॅबटेक परिवारामध्ये पडले आणि अतिशय योग्य मार्गदर्शक ,गुरु मॅडम आपण माझ्या मुलीला लाभला या गोष्टीचा मला आई या नात्याने फार आनंद आहे... माझ्या मुलीची प्रगती पाहता खरंच अतिशय योग्य गुरू,अतिशय योग्य मार्गदर्शक माझ्या मुलीला तुमच्या रूपाने मिळाला खरोखरच आयुष्यमध्ये प्रत्येकाच्या एक चांगला गुरु असणे गरजेचे असते,

यशाचे शिखर कितीही मोठे सर केले तरी ज्या शिक्षकांनी, ज्या गुरूंनी आपल्या शैक्षणिक जडणघडणीमध्ये मोलाचा वाटा निभावला त्या शिक्षकांचे ऋण शब्दात व्यक्त करता येत नाहीत.. खरंच मॅडम माझी कन्या कितीही मोठी झाली तरी तिचा पाया पक्का करण्याचे काम शिंदे मॅडम आपण करत आहात या गोष्टीचा खूप आनंद आहे. "

The Road Ahead....

As the golden warmth of September gently yields to the crisp mornings of autumn, our campus community stands at an inspiring and dynamic threshold. Over the past month, our classrooms have transformed into vibrant hubs of active inquiry, our sports fields have resonated with the energy of emerging athletes, and our creative studios have blossomed with fresh artistic expression. Looking toward October, our shared journey accelerates, presenting a rich blend of rigorous scholastic focus, spirited extracurricular milestones, and meaningful opportunities for holistic growth.

Scholastically, the coming weeks represent an essential period of consolidation as learners across all grade levels prepare for mid-term assessments. Guided by our dedicated faculty through targeted revision clinics and collaborative study forums, students are encouraged to approach these evaluations not as daunting hurdles, but as constructive checkpoints that illuminate progress and refine critical thinking. Cultivating consistent study routines, asking clarifying questions, and balancing focused preparation with adequate rest will ensure every learner navigates this phase with quiet confidence. Crucial to this endeavor is the steadfast partnership of our parents and guardians, whose daily encouragement, patience, and perspective provide the grounded reassurance our students need to thrive.

The forthcoming weeks will see inter-house rivalries reignite in the finest spirit of sportsmanship through track trials, team sports, and strategy games, alongside a diverse lineup of literary debates, fine arts symposiums, and celebratory assemblies honoring national milestones and seasonal traditions. These platforms empower our students to step beyond their comfort zones, shoulder collective responsibility, and celebrate camaraderie. Meanwhile, our editorial pages remain dedicated to documenting this collective journey; we warmly invite students of all grades to contribute their original essays, scientific musings, poetry, and artwork to upcoming editions as we continue to celebrate the dynamic, multifaceted spirit of our school community.

Warm Regards,

Editorial team,
